We offer a generous compensation package, based on experience, that includes a competitive salary, vacation time and health benefits. The successful candidate will be highly motivated and energetic with excellent communication and organization skills, and enjoy working in a fast paced and friendly environment

Position:

- Set up and manufacture trusses as per designs.
- Ensure and maintain high standards of quality, safety, and service.
- Identify and implement all training and development programs for all employees.
- Ensure that production and delivery schedules are met and are optimizing lead times.
- Assign work to personnel in accordance with production schedule.
- Ensure compliance to company policies and procedures.
- Ensures that all machines and equipment is being properly used and maintained.
- Communicate courteously and effectively having an exceptional customer service attitude in order to maintain excellent client interaction.
- Maintain positive working relationships with co-workers.

Qualifications:

- A minimum of high school diploma or GED.
- Strong math ability, good language skills, and good reasoning ability.
- Strong knowledge in production of manufactured trusses and related products.
- Ability to use Microsoft Word and outlook with general computer literacy.
- Excellent interpersonal, organizational and communication skills.
- Valid driver's license and record of the appropriate type and class to operate company vehicles.
- Interact positively with other employees.

Physical Requirements:

- Regular use of fingers, hands, and arms to reach and grasp; ability to stand, walk, sit, stoop, kneel, crouch, and crawl; must frequently lift and move up to 25 pounds; vision abilities include close vision, distance vision, depth perception, and the ability to adjust focus.

Please send your resumes via email to: byron.sanderson@trussandmetalexperts.ca or fax to 780-464-6032. We thank you for your interest in this position; however only those selected for an interview will be contacted.
