

WRLA FUNDAMENTALS OF THE LUMBER AND BUILDING SUPPLY INDUSTRY CERTIFICATE

ARE YOU: Looking for a rewarding career?
Looking to change your career?

WELCOME TO THE LBM INDUSTRY

What is it?

This new program — established by the Western Retail Lumber Association (WRLA) — is designed specifically for those new to the lumber and building materials industry (LBM), as well as those looking for employment in the sector.

You'll gain specialized knowledge of the industry and practical skills from experienced industry veterans in this four-week program consisting of four courses.

- Literacy Skills: The Role of the WRLA in Today's Lumber Building Materials Industry
- Negotiation Skills
- Critical Thinking Skills
- Relationship Management: Communication, Active Listening & Customer Service

This program is designed to be completed comfortably on a part-time basis. A certificate is awarded upon completion.

What types of jobs are available?

Check out www.buildingsupplycareers.ca for current job postings.

How will I benefit?

- Prepare for a career in the Lumber & Building Materials Industry
- Gain a better understanding of the Lumber & Building Materials Industry in Canada
- Learn from professionals already in the industry
- Learn workplace competencies for a successful career

4 WEEKS • 4 COURSES • 3 HOURS/WEEK • 1 ACCREDITED PROGRAM
